C/2017.K2 (PANSTARRS)

- The legend consists of two rows of icons and labels. The first row includes: HII Region (white square with black diagonal), Quasar (black circle with white dot), Galaxy (white circle with black plus sign), Mult. Star (black dot), SN Remnant (white square with black diagonal), Planetary (grey circle with white dot), Galaxy Gr. (white circle with black dot), and Comet (grey circle with black dot). The second row shows a series of black circles of decreasing size from left to right, labeled with the numbers 12, 11, 10, 9, 8, 7, 6, and 5.
